INDEPENDENT AUDITOR'S REPORT

To the Members of Kyah Wiget Education Society

Report on the Financial Statements

Opinion

We have audited the financial statements of Kyah Wiget Education Society (the "Society"), which comprise the statement of financial position as at March 31, 2025, and the statements of changes in net assets, revenues and expenditures and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at March 31, 2025, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

Management is responsible for the other information. The other information comprises the unaudited schedules of department revenue and expenses.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a manner
 that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT (continued)

Report on Other Legal and Regulatory Requirements

As required by the Societies Act of British Columbia, we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with Canadian Accounting Standards for Not-for-profit Organizations have been applied on a basis consistent with that of the preceding year.

PURPOSE OF THE SOCIETY

Kyah Wiget Education Society (the "Society") is a not-for-profit organization of British Columbia. As a non-profit organization, the Society is exempt from the payment of income tax under Subsection 149(1) of the Income Tax Act. The Society was incorporated on August 13, 1986.

The Society is an organization committed to coordinating and administering educational opportunities for the peoples of Witset First Nation from youth to adults.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO). All figures are presented in Canadian dollars.

Revenue recognition

The Society follows the deferral method of accounting for contributions.

- Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.
- Restricted contributions are recognized as revenue in the period in which the related expenses are
 incurred. Grants are recognized as revenue in the period in which the related expenditures for the
 specific projects are incurred.

Fund accounting

For financial reporting purposes, the accounts of the Society have been classified into the following funds:

- The General Fund accounts for the Society's general fundraising and administrative activities. This fund reports unrestricted resources available for immediate purposes.
- The Equity in Property and Equipment Fund reports the assets, liabilities, revenues and expenses related to the capital assets.

Cash and cash equivalents

Cash includes cash and cash equivalents. Cash equivalents are considered to be any term deposits with a maturity of three months or less that the company holds. When the aggregate of the company's various bank accounts is in an overdraft position or the value of outstanding cheques exceeds the bank balance, the net balance is presented as a current liability.

(continues)

Notes to Financial Statements Year Ended March 31, 2025

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and equipment

Property and equipment is stated at cost or deemed cost less accumulated amortization and is amortized over its estimated useful life at the following rates and methods:

Buildings 5% declining balance method Equipment 20% declining balance method Fencing 10% declining balance method

The Society regularly reviews its property and equipment to eliminate obsolete items.

Property and equipment acquired during the year but not placed into use are not amortized until they are placed into use.

Financial instruments

Measurement of financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized costs.

- Financial assets measured at fair value include cash.
- Financial assets measured at amortized cost include accounts receivable.
- Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and amounts due to related party.

Impairment

Financial assets measured at amortized cost are measured for impairment when there are indicators of impairment. The amount of the write-down is recognized in the statement of revenues and expenditures. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of revenues and expenditures.

Transaction costs

The Society recognizes its transaction costs in the statement of revenues and expenditures in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

(continues)

Notes to Financial Statements Year Ended March 31, 2025

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Certain amounts in the financial statements are subject to measurement uncertainty and are based on the Society's best information and judgment, including:

- the estimated useful lives of property and equipment;
- the amount of accrued liabilities.

Budget figures

Budget figures have been provided for comparative purposes and have been derived from the Society's annual budget, and approved by the Board of Directors on March 11, 2024. The budget is reflected in the Statement of Revenue and Expenditures and the Department Schedules and have not been audited.

3. FINANCIAL INSTRUMENTS

The Society is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Society's risk exposure and concentration as of March 31, 2025.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Society is exposed to credit risk consist primarily of cash and cash equivalents and accounts receivable. The Society's cash and cash equivalents are maintained with a large federally regulated financial institution in Canada. In order to reduce its credit risk, the Society reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities as they come due. The Society's exposure to this risk is mainly dependent on the receipt of funds from its customers and other related sources, whether in the form of revenue or advances.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Society is mainly exposed to interest rate risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Society manages exposure through its normal operating and financing activities. The Society is exposed to minimal interest rate risk primarily through its floating interest rate line of credit and credit facilities as the line of credit is rarely used.

Unless otherwise noted, it is management's opinion that the Society is not exposed to significant other price risks arising from these financial instruments.
